How to recover your password in NAVIGATOR

Presenter: Kim Ducat
MCCTE–FSU

September 10, 2009
This tutorial is for users who have already registered and have lost their password.

If you have never logged into NAVIGATOR, you will need to register, which is a different process.
Welcome to MCCTE Navigator

Welcome to the electronic curriculum system for Michigan’s Career and Technical Education community (State/Regional/Local Administrators, and Instructors). The system is called MI CTE Navigator and provides real-time access to Michigan’s state approved CTE program curriculum which is necessary for educational decision-making, management and ultimately student achievement.

The web-based, online database is comprehensive, statewide, user-friendly, and instructor-driven and can be used for managing the technical standards, career cluster content, segments, resource content, and academic alignment results for all of Michigan’s CTE program sites.

Question: What color is your car?
Answer:  
Reset Password

Type your answer here
Password Recovery

Allow for a reasonable amount of time to receive an email with the new password.

Every time this process is done, a new password is created which deactivates the password prior.
